- Special Events: Discussion had regarding the ability to hold 4th of July picnic due to COVID19
- Webmaster: working on getting the new website up and running. Would like feedback regarding questions posed earlier this year. Not receiving district or committee reports. Please remind your groups to email monthly minutes to webmaster4lincaa@gmail.com
- Treatment: No report/not present
- Hotline: discussion had on how to get new volunteers for June, July, & August. Could reach out to those volunteering now to see if they are interested in continuing. Could there be a sign up on the intergroup website?? Seems like the answering services may have “favorites” to call and aren’t rotating volunteers as they should. Lots of calls received looking for info on meetings, not necessarily wanting to speak with an AA member.
- District 21: Current balance \$2471.65, members in the district are enjoying Zoom meetings but are missing the before/after fellowship of physical meetings, working on plans for the Unity Picnic on 8/8/2 at Van Dorn Park (possibly Bethany or Antelope)
- District 22: Zoom meeting held in March, discussed area voting items, still have a Grapevine Rep position open if anybody is interested.
- District 29: No report/not present
- District 3: No report/not present
- Central Office Board Meeting: Meeting held 4/16/20 w/ 8 members present, donations have been down, there is a link on the website for people to make contributions. Balances as of 3/31/20 are \$11,698.99 in checking and \$15,069.26 in savings.
