Committee Reports

- Corrections: Balance remains the same \$426.30, will meet 7/6/21 at The Meeting Place, west entrance, 2nd floor meeting room. Spent some time talking to City/County Jail, they are desperately in need of volunteers. Their goal is for everybody to be able to have a meeting every week. Some discussion of confined people having tablets, people could then have digital Big Book copies, we'll see what happens with that. Nebraska Department of Corrections have been contacting previous volunteers, they will need to update paperwork and re-do orientation prior to returning. Volunteers could assist with taking confined people to in person meetings.
- Special Events: Not Present
- Treatment: Not Present
- PICPC: Working on literature. Looking for input of new pamphlets to order to have available for AA members.
- Hotline: Did not meet last month. Calls are getting answered and connected. Seems to be less calls coming through the answering service. Most calls are wanting information, a few per week that are looking for conversation. There's been a trend of the call taking multiple attempts to get connected. May need to call the director to verify if unanswered calls are from people who only volunteered on a temporary basis. Please share with groups about hotline as a service position and signup form online.
- Web Chair: continuing to work on update form. Have not received too many updates but did get 2 or 3 in the last month. Getting with Taylor to look over different lists. Still working to improve meeting lists. Contact webmaster4lincaa@gmail.com or webmaster@lincaa.org
- Central Office: nothing new to report. Russ is working on a meeting list through the Central Office as well. Still have 4 openings on the Central Office Board, have received 2 resumes. Can always use alternate board members. Next meeting is 7/15/21 at The Meeting Place at 7pm.

District Reports

- No Districts Present

Intergroup 6/24/21 via Zoom

Old Business

- Chair has been in contact with Rachel at New Visions church to re-sign agreement and get a new key for the church at 11th and Lake. Basement would be available for Intergroup. Updated CDC guidelines for groups, IG would need to follow sanitation guidelines i.e. sanitize touched surfaces. Will update the group after meeting with Rachel on Monday.

New Business

- Encourage collaboration between AA service groups to share meeting information between committee groups.

Motion to close, seconded, meeting ended at 7:01pm.
