- Hotline 24 calls this month. 19 of them the week prior to WCRAASC.
- Working on Easter event.
- District 21 will be planning a Unity picnic.
- Lincoln Round-up Inc. presented more plans/intentions to Intergroup. Intergroup will take it back to their groups for discussion before taking action.
  - It's not that uncommon for recovery entities to form non-profits (Spring Fling was one, so is Area, etc.)
  - Providing a service to members of AA. How much of an "outside entity" might this be considered.
  - Seems to be a lack of organization among the group. Inability to provide a clear budget.
  - Seem to be planning an unrealistic scale up from one year to the next.
  - Some conflicting statements have been made about where donations would be solicited from. Potential of seeking funding from outside of AA/recovery related entities. How does that affect who they have as speakers? Are orgs/sponsors going to receive credit in the end?
