Old business: Contributing to Lincoln Roundup - Intergroup is not opposed to the event, however, does not contribute 7th Tradition funds to an event such as this because it is not an AA event.

Our group has expressed concern once again about the amount of money that is being held by Intergroup. We have asked Brian to bring these concerns to the next Intergroup meeting.

Alt DCM Report - Brian -

Area 41 Recap - District 21 had 2 GSR's and an Alt GSR in addition to Brian in attendance. Saturday morning was GSC voting items recap. Brian attended the corrections committee. Corrections workshop August 19th! Saturday afternoon was committee reports. A long conversation was held about the issues happening at GSO.

2 Voting Items - Moving up the presentation of the budget - Passed

Motion to not hold this year's reunion - Failed - An ad hoc committee is going to reassess the programming and format for the reunion going forward.

Group Reports -

Spiritual Actions - Averaging 15-20 people in attendance. Just had our quarterly speaker meeting and business meeting. Next week we will not be able to meet at Southview Baptist, so we will meet at Van Dorn Park weather permitting. Our backup plan for bad weather is to meet at the HiWay Diner. Next weekend we will be having our grill out and movie event in Ashland with the Ashland Tuesday Night Step Meeting. The group voted to give \$100 to the Lincoln Roundup.

Women's Circle of Friends - Rebecca - Still meeting at Watkins building. 40-45 weekly average attendance. Independence Center brings women over to attend, so there are a lot of newcomers at all times. Many continue to attend after their stay in treatment.

Young People's - Haus - 80 people estimated in attendance weekly. Business meeting attendance is 15-20. Last week of every month is a speaker meeting. All other weeks are done with a chip drawing format. There are a lot of members who are interested in service, service structure, and involvement. Haus gave us a brief rundown of the meeting format and the service structure involvement for the meeting.

Seeking Solutions - Brian - Around 50 average attendance. Still working through group inventory. Getting a lot of good feedback from group members.

Old Business -

Unity Picnic - Dawn has reserved the shelter at Van Dorn Park on Sunday July 30th. We have the shelter that day from 10:00 am until 1:30 pm. Dawn has suggested that we begin making a flier before we meet next month so we can start getting the word out. We will talk to Mike and see if he is willing to grill for the event like he has in years past.

Grapevine Workshop - Dawn attended the workshop in Omaha and does not think we could get a similar workshop pulled off in time this year, in addition to the GSR workshop that we will be doing this year. She said that the Omaha workshop did a great job with the workshop! Dawn discussed having a subcommittee for the Grapevine workshop as we look forward towards putting one on in Lincoln.

New Business - None

Other Items - None

Motion To Adjourn - Made by Brian. 2nd by Dawn. Meeting closed at 5:41 pm
