Doing a lot of visits. D3 and D29 had a 147 people attend Reunion. Founder's Day had 47 attendees and the right amount of pizza but no cake contest. AA International Convention Watch Party is taking place but the flyer is wrong because they don't have access to Opening Ceremonies, no Old Timers Meeting, no Closing Ceremonies but a lot of sessions to watch. Asking people to bring food. See flyer for more details about food and more.

Old Business

Website Area Chair and Intergroup Web Chair communicated. What if Area took Intergroup under their wing with a section for Lincoln Intergroup? Or Intergroup has their own website but has links to Area? Additional options are having Area's site send Meeting info to the Intergroup website - a filtered Area Meeting List. Area's website now has a lot of the different districts' info. Area is making sure that when group changes are made, those changes go to all websites or where that info is presented (Area, District, Intergroup, etc) Area could maintain the website but the link / URL mirrors to Lincoln Intergroup.

It was asked: Why is this topic being brought up?

- 1) What happens if the current Intergroup Web Chair rotates out? At this time, Intergroup Web Chair doesn't have plans of resigning. But it will happen, eventually. Could Intergroup find another Webmaster?
- 2) There are redundant edits. A needed edit could go to two different sites but one site might not get proper info.
- 3) Overlap with meeting edits and lists and calendar of events.

Intergroup Web Chair agrees that we should eliminate duplicates (info, meeting lists, etc.) and have one location for certain info.

What do the groups think?

New Business

Treatment requested \$25. Motion seconded and approved. Treatment will continue to receive Intergroup disbursements.
