PICPC/Taylor

Balance \$1

Taylor had a bad cold so didnt go to the last meeting. They have more literature - including braille.

Website/Charlie

Have not received info from PICPC. Area webmaster is working with Intergroup webmaster about possibly integrating some intergroup pages on the area website but that is a long-term project. A main priority is getting Charlie's name off of the intergroup's domain and into the intergroup's name. Simplifying the meeting list. Working on how to manage the meeting list feeds. Should we include meetings based on District? Or by Lincoln proximity - towns like Eagle, Bennet, Princeton, which are not in the four Lincoln districts? What meetings do we want to include on the Intergroup meeting list? The Meeting List will honor meetings that do not want to be associated with a District.

#### Special Events/Scott
