Intergroup Meeting Minutes

Business
Old Business
Sarah motioned to link to the geographic “search for meetings near me” and link it to Intergroup. Use this as a temp solution using 68503. We decided to keep a single grouping of 25 miles from 68503.
New Business
Sarah would like to move toward getting the intergroup site for Lincoln off of Charlies accounts. Thinking about simply creating a new domain instead of just trying to migrate the old domain to someone else’s account. Will be wanting to get a committee meeting going before moving forward with that. Corey would love to have paypal or another electronic distribution option. Motion to include Taylor and Charlie on this convo.
