Business	
Old Business	
<p><i>“Sarah would like to move toward getting the intergroup site for Lincoln off of Charlies accounts. Thinking about simply creating a new domain instead of just trying to migrate the old domain to someone else’s account. Will be wanting to get a committee meeting going</i></p>	

Intergroup Meeting Minutes

before moving forward with that. Corey would love to have paypal or another electronic distribution option. Motion to include Taylor and Charlie on this convo.”

Lincoln central office migrated to a new domain and it was pretty smooth. Thinking about doing that for any existing pages on Charlies accounts. Move into intergroups name. Host expires in August. Will have a redirect from old addresses to the new intergroup site. Makes sense and more seamless. Has email hosting on Charlies accounts. Renewal is middle of the month in April. That’s pretty quick to try and build a new page...Charlies opinion is that we can change the ownership is possible, but it may require a lot of work. The last webmaster drifted away. There has never been a website committee. Charlie has been doing website for at least 10 years. Area is saying that there are more layers to hosting intergroup on the area page. Suggestion to keep the intergroup pages on dreamhost. There is possibility to move to area, but would need an agenda item. Motion to keep intergroup page on dreamhost for now and create agenda item for area for the future—Passed.

New Business

Flier was created to remind people where to send 7th tradition donations.

Sarah will begin creating the committee to discuss the website- Ben, Taylor, Chalice, Charlie so far.
