Current balance \$1.35

Brandy and Hannah went to Area and reported....

Idea to email other Nebraska Districts for PICPC contacts in other Nebraska districts.

Emphasis on reaching out to the education world (high school, college, etc) But coordination needs to happen with the TAARC. Hannah is going collaborate with McKenna on TAARC for this.

Hannah connected with Jim from Lincoln Corrections and gave him 3 PLBBs.

Needing to include hearing impaired, education, rural addiction, libraries and little free libraries. Farm shows were also brought up as an opportunity to carry the message.

It was recommended to attend WCRSC in Cedar Rapids 2/27-3/31

QR contact cards for meeting list need updated. Suggested to put these in hotels and rural hospitals. HR and EAPs in Columbus.

Look into taking meetings to retirement homes.

Work also needs done on the Area Hotline
