Intergroup Meeting Minutes

Discussing having a Paypal on the intergroup site. For non-profit it is only 1% different. Groups seem amenable. Corey motioned for new PayPal. Motion passed.

Service binder- motion to move service binder discussion to next month. Motion approved.

New Business

Tabling the service binder discussion. Wait for Corey.

Brandy discussing central office info. Area 41 hotline-some hotline calls go to central office. Jerry reported going through all of the list for Lincoln. Brandy says she doesn't believe so. Brandy says hotline is going well otherwise.

April minutes show that Jerry updated the list. Possibility of having Corey run the hotline. No motion to have Corey do it until Corey is here. We will begin announcing the elections for hotline chair in our meetings. Will elect as of next intergroup meeting.

Bill says Corey doesn't have Brandys ability to multitask.

Special events would like to put on a fun day at Holmes Lake. In September on the 12th. Don't need money, just asking for permission. Potluck. Will play games. There is a flier created but waiting for permission. Has leftover stuff from other events.

We have a paypal! Not totally running yet, but we have one.
