Womens circle of friends	Terri- lots of attendance from the IC, speaker meeting last week of the month.

Intergroup Meeting Minutes

6am Bethany	Amber- meetings are going well, they are saving lives!
Business	
Old Business	
Paypal is on the website. Service binder descriptions have been emailed out, and can be uploaded.	
New Business	
Hotline is cancelled the central office, so there is no Lincoln hotline currently. It was attached to the central office number before. Potential to just be part of the area 41 hotline, but still have a rep to get volunteers and coordinate with area. We are unsure of where the list is at in terms of updating. Is it possible to forward central office calls after hours to the area hotline. Called hotline number. Still going to the answering service. Need to go to our groups and discuss. Motion to band-aid the hotline together for now dependent on what information we get from Tony. Approved. Option 1- Lincoln intergroup would get our own hotline number to have our own but not be connected to central office or Option 2- Try to move over to area hotline completely. Charlie would like to discuss for next month whether we want to facilitate the central office Lincoln intergroup website discussion regarding formatting. Motion- to make it live and go get feedback from groups. Passed.
