How It Works	
Sunday Nite Wkshp	Going well. Missing Bill O.
6am Bethany	Matt- Has had quite a bit of increased attendance. 12-14 people attending consistently.
Business	

Intergroup Meeting Minutes

Old Business

Hotline is cancelled the central office, so there is no Lincoln hotline currently. It was attached to the central office number before. Potential to just be part of the area 41 hotline, but still have a rep to get volunteers and coordinate with area. We are unsure of where the list is at in terms of updating. Is it possible to forward central office calls after hours to the area hotline. Called hotline number. Still going to the answering service. Need to go to our groups and discuss. Motion to band-aid the hotline together for now dependent on what information we get from Tony. Approved. Option 1- Lincoln intergroup would get our own hotline number to have our own but not be connected to central office or Option 2- Try to move over to area hotline completely.

Charlie would like to discuss for next month whether we want to facilitate the central office

Lincoln intergroup website discussion regarding formatting. Motion- to make it live and go get feedback from groups. Passed.

New Business

Got the first donation through paypal.

Tony hasn't responded regarding the hotline. We haven't received a bill. Discussion regarding whether we want to have our own hotline or send the hotline to area. Sarahs concern is that things are entangled with central office. New cards don't include the Lincoln hotline number. We would like central office to have to have a voicemail note giving the area hotline number. Concerns regarding making sure that there are volunteers in Lincoln, and that they have the numbers for volunteers. Corey is going to check in with Brandy (area hotline) regarding the list and Ben is going to attempt contacting Tony again and see about the hotline (or remnants of the list).

Website is live and looks great. Sarah went over the website. We need a website chair/webmaster. Someone who can upload fliers etc. Charlie is fully retired. Thanks Charlie!!! We appreciate your years of service.

We neet a hotline person and a website person.

Novembers intergroup meeting will be November 19th, one week early. Decembers meeting is December 17th 2 weeks early, due to the upcoming holiday.
